

How to get to the Gata Football pitch.

Below is a map showing how to get to the Gata football pitch for walks that start from there. The route described below is from Javea.

Meeting Point	Gata de Gorgos, by side of the football pitch opposite the Salud/School.
Directions to meeting point	From Javea, take the CV734 past Ferrobox, the Javea Crematorium and the petrol station. At the 1st “Gata” roundabout, turn left towards Gata. At the next roundabout, do NOT go straight-on (1 st exit) towards the level crossing, but take the next (2 nd) exit. This runs behind the Don Quixote building. Take the second turning on the left and park (the Gata Football ground will be on your right and a row of new terraced boxes on your left).
